Mayor's Message

Well it's the weekend of the July 4th already! I know a lot of our neighbors will be traveling this weekend and I hope all have a safe and wonderful trip. Just remember to get back here in time for the cookout on Sunday. With that in mind, make sure you move your cars off the 1100 block before Sunday at 4pm. Bring something to cook on the grill and a side to share; drag out your chairs and libations while we once again celebrate our God given right to flaunt the open container laws.

On a sad note, we are losing very valuable assets to the community; Dan and Whitney Snyder are moving to Portland, OR (You would think they had enough of rain for one year). I was very pleased to see their house go contract pending so quick in this economy! Of course this means there is now a search for a new Garden Tour Chairperson and Co-Chair, since Whitney had not yet been able to locate and name one. I have asked Thea to help in this search endeavor, being the most recent Chair. And as a double whammy, Dan is the current secretary of the WAIA. According to the bylaws, this involves the convening of the board of directors to pick a new secretary. The board consists of the current officers, excluding the ones departing, and all the former resident mayors of the WAIA. Dan is going to be very hard to replace and sorely missed.
