### Mayor's Message

Summer has flown by and our final Summer Cookout is Monday September 9th. The Street will be closing at 4p.m. for set up and the grills will be fired up by 5pm. As a reminder, the W.A.I.A. provides the grills, set-up, and condiments. Please bring something to throw on the grill, your beverage of choice, and a dish to share. It's another great opportunity to socialize with your neighbors. We hope to see you there!

---

With the new school year having just begun, our community experienced the usual "move-out/move-in" shock around the first of August. The W.A.I.A. asked and received assistance from the City to remove discarded furniture and other items from the alleys. There remains two temporary dumpsters available for discarding large items; one at the corner of Grace and Ryland Street, the other at the corner of Grove and N. Morris. If you are doing some fall cleaning these may be convenient for you.

---

With so many students moving into the area at once, and with other “party” groups moving through our neighborhood I continue to suggest that everyone contact the police if you see suspicious activity. We have had several pursuits by police through our side streets in the last several weeks, so please maintain your guard.

Please note the dates and times for the upcoming Fall events. The Association is need of participants for several events this fall. First, we would like to find someone to be in charge of the electronics and lights for the Halloween celebration. Second, we are interested in having a home sponsor for the Fall cocktail party, and a host couple. Please contact any of the officers if you would be so kind as to volunteer for either of these positions.

Robert
